

ProVenger Quick Attack Foam Tube for 1 1/2" ProVenger Nozzles

STYLE 638

The ProVenger™ Quick-Attack™ Foam Tube is designed to efficiently clip on and off the 1 1/2" ProVenger™ handline nozzle. Quick-release tabs allow the tube to be easily removed and is constructed of a lightweight, durable, high-strength polymer. The ProVenger Quick Attack Foam Tube is affordably priced to complement the ProVenger series nozzles.

Features

- Provides air-aspirated foam with expansion ratios up to 12:1 using AFFF
- Lightweight, snap-on assembly. No tools required
- Compatible with 1 1/2" (38 mm) ProVenger Nozzles - Styles 1615, 1616, 4115, or 4116
- 5 year standard warranty

Applications/Solutions

- Firefighting - Structural
