

EA34118 L12DX – 1/2 in. x 160 ft. 12 V DC Motor Twin Hydraulic Hose Reel

Reelcraft's Series 30000 hose reels are designed for rugged, heavy-duty applications requiring long lengths of hose and large storage capacity. All-bolted unitized construction with no welds to fatigue, full flow swivel, and heavy gauge steel frame, spool, and drum ensure longest service life. The Series 30000 vibration-proof, self-locking fasteners are ideal for industrial or field use.

- Quality finish and corrosion resistant – Individually powder coated components offer the maximum protection from premature corrosion.
- Motor options – Multiple motor options provide an easy method to rewind long lengths of hose.
