

Vantage™ LED Helmet Mounted Flashlight

Case Material: 6000 series machined aircraft aluminum with black anodized finish. High impact, chemically resistant engineering polymer LED housing.

Dimensions: Length: 3.26 in. (8.28 cm) Width: 1.47 in. (3.73 cm) Height with clamp: 2.56 in. (6.50 cm)
Height above/below mounting surface: 1.84 in. (4.67 cm)

Weight: 5.14 oz (145.7 grams)*

Lens: High temperature, shock-mounted, impact-resistant, Boro Float Glass lens.

Light Source: C4 premium LED technology, shock-proof with a 50,000 hour lifetime.
470nm Ultra-bright blue tail light LED with a 100,000 hour lifetime.

Light Output: Up to 4,500 candela peak central intensity; 80 lumens measured system output. Textured parabolic reflector produces a smooth beam hotspot with optimum peripheral illumination to aid in navigation. Optimized electronics provides regulated intensity.

On/Off: Dual direction, easy access On-Off switch located on rear of light.

Run Time: 6 hours of continuous runtime to the 10% output level.

Battery: Two (2) 3V CR123A lithium

- Features:**
- IPX7 rated design; waterproof to 1 meter for 30 minutes.
 - C4 premium LED technology for extreme brightness.
 - Swivel clamp and insertable 5° angle adjuster to optimize beam location.
 - Serialized for positive identification.
 - Most models meet applicable European Community Directives.

Approvals: Most models meet applicable European Community Directives.

Warranty Limited lifetime warranty.

* With batteries (Included in purchase)
Designed and Assembled in the USA
