Protecting the rescuers.

[rescue.lukas.com/Rescue+products/Accessories/Protective+equipment/Protection+covers.html](https://rescue.lukas.com/Rescue+products/Accessories/Protective+equipment/Protection+covers.html)

### Advantages

- + Extremely tough- quality materials used: Cordura® (only by DuPont) and Trevira® Complan surfaces are tear- proof, water- repellent and washable
- + The internal structure of several layers of special non- woven fabric prevents sharp- edged metal parts from penetrating
- + The air buffer between the materials provides additional security
- + The system can be quickly fitted
- + It stays securely in place without slipping
