Specific lighting needs require specific tools. With the right lighting tool, you can identify potential or existing problems before they interrupt your ability to get the job done. In addition the costs savings of using the right tool over time will benefit your bottom line.

There is a real need to cut costs wherever possible, yet we cannot afford to forget about environmental issues. Streamlight rechargeable lighting tools make good economic environmental sense. Over time they cost significantly less to operate; and they reduce the amount of batteries used, thereby relieving the problem of battery disposal. With Streamlight rechargeable flashlights, your plant will not only save on the cost of batteries, you'll save the time that's wasted when you discover your light isn't working and the steps involved in getting and replacing batteries.

Case Material: High-impact ABS thermoplastic housing. Rubberized impact bumper, lens ring and cushioned-grip handle.

Dimensions/Weight: Length: 11.5 in. (29.2 cm) Width: 5.1 in. (13 cm) Height: 7 in. (17.8 cm) 7.9 lbs (3.58 kg) with battery (included in purchase)

Light Source: Six (6) C4® LEDs, impervious to shock with a 50,000 hour lifetime and two (2) user programmable ultra bright blue tail-light LEDs. 6 wide pattern parabolic reflectors produce a smooth flood pattern. Optimized electronics provide regulated intensity. Jumper selectable high or low setting.

Battery: Zero-maintenance 6V, 12Ah sealed lead acid battery. Red and green LEDs give charge status feedback.

Models: Standard System - International safety orange or high-visibility yellow; includes shoulder strap; includes AC/DC chargers and mounting rack; ideal for field maintenance, inspection of construction sites, and remote equipment.

Vehicle Mount System - International safety orange or high-visibility yellow; comes with vehicle-mountable hard-wire rack and shoulder strap.

- Features:**
- Toggle switch for easy use with gloves
 - LED Solid State circuitry provides regulated light output throughout battery life.
 - IPX4 Rated for weather resistant operation
 - Serialized for positive identification.
 - Locking charge rack option

Approvals:** Most models meet applicable European Community Directives.
Charge rack meets requirements of NFPA 1901-14.1.11.2 (2003) mounted in any position.

Warranty: Streamlight warrants this product to be free of defect for a lifetime of use. We will repair, replace or refund the purchase price, at our option, of any Streamlight product that does not work or that you manage to break as long as you own it. Of course, this limited lifetime warranty excludes abuse, batteries and chargers.
