Standard: EN 343

## Data sheet

# OVERALL HIGHWORK

For more comfort and safety when working at heights, SKYLOTEC together with W.L. Gore, the manufacturer of the GORE-TEX® membranes, have developed a weather protection overall. A lot of attention was paid to practical details.

- Hood in the collar – by reducing the volume horizontally and vertically it can be worn both solo and over the helmet.
- Cord channel for headset
- Hook and loop fastener strap for name tag
- Upper arm pocket for radio/mobile phone, pen
- Specially shaped, reinforced elbow
- Forearm pocket for small parts
- Leg zip (can be pulled over the shoes)
- Adjustable leg bands
- Specially shaped knee with variable padding
- All pockets outside the harness area; leg pocket conveniently set at 45° for sitting and standing positions
- Forearm ventilation and back lining made of mesh fabric
- Integrated strap padding
- Chin with fleece finishing
