

NVFC Opens Registrations For Training Summit 2020 Scheduled To Be Held In Orlando

Published on 29 Aug 2019

The National Volunteer Fire Council (NVFC) is pleased to announce that the next NVFC Training Summit will take place June 26-27, 2020, in Orlando, FL. Pre-register here to save your spot and get updates as event information becomes available.

NVFC Training Summit 2020

Launched in 2014, the Training Summit provides an opportunity for first responders from

across the country to participate in valuable classroom training as well as exchange ideas and best practices with their peers.

The NVFC's signature annual conference is open to all volunteer firefighters, EMS providers, department leadership, and other fire department personnel. General and breakout sessions will address critical issues in first responder health and safety, recruitment and retention, and fire prevention. More details, including a call for presentations, stipend program, travel information, and registration, will be available in the coming weeks.
